

# DSC Equity Fund - Communication Services

ISIN: AT0000A1FNV6

A distributing fund according to Austrian law

Net asset value (A/A) CHF 81.07

December 2022

## Investment objective

The DSC Equity Fund investment process identifies defensive, high-quality stocks and combines them with a risk-controlled portfolio. The aim of this two-stage process of equity screening and volatility minimization is to achieve a market-like return in times of rising markets and an excess return in phases of declining markets. Currency risks are partially hedged. This fund invests primarily in equities of communication services and related industries.
